Riess Construction
11 Lovejoy Road
Plymouth, NH 03264

Dear Pat,

We are nearing the end of our project and I just wanted to let you know how much we have appreciated the job you and your people have done for us. In all aspects of the project from site safety to quality of workmanship, you have met or exceeded our needs and expectations. I have been involved with many major projects over the years, and it always seems that the building people are one or two steps behind everyone else. That has not been the case on this project. You set realistic schedules, and almost always bettered them. Your personal involvement along with top notch on-site supervision has made working with Riess Construction a genuine pleasure.

Please feel free to have any future clients contact me for a reference.

Regards,

J.S.O'Meara
